### Material Uncertainty related to 'Going Concern'

We draw attention to the following note to the financial statements:

During the year under audit, there was no production in the Chennai and Vizag plants and are being considered as discontinued operations. Turnkey Project Business Segment is being considered as Continuing Operations.

These factors along with other matters as set forth in the said notes, which indicates the existence of a material uncertainty that may cause significant doubt about the company's ability to continue as a going concern. The company is in the discussion of re-vitalization and long term stability and growth of its Turnkey Project Business unit. In light of the management's expectation of the outcome of above discussion and re-vitalization, the financial statements have been prepared on a going concern basis. However in view of the above mentioned matter, we are unable to comment on the ability of the company to continue as a going concern as per SA 570.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

### Observation :

Both Punjab National Bank & the Indian Overseas Bank, have assigned their facilities to Edelweiss Asset Reconstruction Company Ltd, as on 10<sup>th</sup> December 2015 and 29<sup>th</sup> March 2016 respectively and terms and conditions have not been disclosed to us. Further more the Company is in discussions with Allium Finance Private Limited, IDBI Trusteeship Services Limited, and Edelweiss Asset Reconstruction Company Limited to find a resolution to the outstanding loan liabilities with them and arising from the non completion of the settlement agreements signed with them on 12<sup>th</sup> April 2018.

The Company has partially complied with the terms of the settlement agreements executed with the secured lenders as highlighted in the annual report for the financial year ending 31<sup>st</sup> March 2019 but the company has been unable to complete the full and final settlement due in February 2019. Pursuant to the same, the Company has received latest claim letter in Feb 2021 claiming repayment of contractual dues as follows:

- (i) ₹ 523.18 cr., from Edelweiss Asset Reconstruction Company Limited (in its capacity as Trustee of EARC SAF 1 Trust, EARC Trust SC 168, EARC Trust SC 209) as on Jan. 31, 2021,

The claim amounts include interest up to the said period and other charges as provided for under the respective financing documents entered into by the company. The Company is in discussions with the secured lenders for its resolution.

Further,

(i) It is clarified that the company's Project business vertical is currently functioning at a low scale because of inadequacy of funds.

However, the Company is evaluating various steps in connection with the re-vitalization and long term stability and growth of its Turnkey Project Business Unit which potential and opportunity exists once the balance sheet is restructured.

As part of this exercise, the Company has entered into a Memorandum of Understanding (MoU) with M/s. Vishnusurya Projects and Infra Private Limited, Chennai ("VSPIPL") to identify and explore business opportunities in the Turnkey Project Segment more specifically in the areas of:

Electrical Projects for Substations and Transmission Lines, Rural Electrification, Industrial electrification etc. on Total turnkey basis and other Green Field Projects including Business Development, Planning, Design, Sourcing, Scheduling, Execution, Testing & Commissioning, Operation & Maintenance until Taking over by the Customer.

However, the continuing disruption caused by the Covid pandemic on normal business activities has delayed the progress of such evaluation.

(ii) The Company is also in the process of exploring various options for effective usage of its industrial land in Chennai in compliance with various approvals and regulations based on its previous experience.

These steps are intended to set the foundation for the revival of activities of the company. Hence, the company continues to prepare its Accounts and the Statement of audited financial results on a 'going concern' basis of accounting.

We draw attention to Note No: 2 (d) of the financial statements, which describes the effects of COVID-19 pandemic on the Company's operations and compliances, which does not have any significant impact in the company's overall performance during the current period.

It is not appropriate to estimate the duration and severity of these consequences, as well as their impact on the financial position and results of the company for future periods.

Note no.26 in respect of payment of dividend on Non Convertible Cumulative Redeemable Preference Shares is contingent on various factors as mentioned in the said note, which is currently uncertain and hence the amount payable has been treated as contingent liability.

### Information Other Than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the Information included in the management discussion and analysis, board's report including annexures to board's report, corporate governance and shareholder's information, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that if there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### Management's Responsibility for the Standalone financial statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern. In this context attention is drawn to Note no.2 and other related notes to the standalone financial statements which indicates that the current liabilities exceeded its current assets and it has accumulated losses which has resulted in complete erosion of the net worth of the Company as at 31<sup>st</sup> March 2021 leading to material uncertainty about the Company's ability to continue as 'Going Concern' and the Company continues to prepare its accounts on a "Going Concern" basis unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

### Auditor's Responsibilities for the Audit of the standalone financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintained professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due
  to fraud or error, design and perform audit procedures responsive to those risks, and obtain
  audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of
  not detecting a material misstatement resulting from fraud is higher than for one resulting from
  error, as fraud may involve collusion, forgery, international omissions, misrepresentations, or
  the override of internal control.
- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management and board of director's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. We conclude that a material uncertainty exists and attention is drawn to Material Uncertainty related to 'Going Concern' paragraph in our report herein above with related disclosures in the Note 2 to the financial statements. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

We have audited the internal financial controls over financial reporting of **W.S. INDUSTRIES (INDIA) LIMITED** ("the Company") as of March 31, 2021 in conjunction with our audit of the Standalone financial statements of the Company for the year ended on that date.

### Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI)". These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

### Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Standalone financial statements, whether due to fraud or error.

### Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Standalone financial statements for external purposes in accordance with generally accepted

accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the Standalone financial statements.

### Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### Opinion

The system of internal financial controls over financial reporting, with regard to the company were made available to us, to determine whether the company has established adequate internal financial control over financial reporting and whether such internal financial controls were operating effectively as at 31<sup>st</sup> March 2021. However, in addition to above, internal financial controls over financial reporting is based on management's assurance.

We give a disclaimer as reported above in respect of the internal financial controls over financial reporting, considering the nature, timing and extent of audit tests in our audit of the Standalone financial statements of the Company and hence our opinion is subject to the said disclaimer on the Standalone financial statements of the company.

The company has evaluated the facts and circumstances existing on the date of transition to IND AS i.e as on 1<sup>st</sup> April 2016 (Opening) for the purpose of classification and measurement of financial assets and accordingly has classified and measured financial assets on the date of transition.

#### 2 Operations review:

(a) During the year under review, there was no production in the Chennai and Vizag plants.

- (b) In the previous year Chennai Insulator division and Visakhapatnam Insulator division (wef 01.10.2019 6 Months) were considered as "Discontinued Operations". For the current full year under review, Chennai Insulator division and Visakhapatnam Insulator division are being considered as "Discontinued Operations". Hence previous period figures are not comparable. Turnkey Project Business Segment is considered as "Continuing Operations" in both the years.
- (c) (i) It is clarified that the company's Project business vertical is currently functioning at a low scale because of inadequacy of funds.

However, the Company is evaluating various steps in connection with the re-vitalization and long term stability and growth of its Turnkey Project Business Unit which potential and opportunity exists once the balance sheet is restructured.

As part of this exercise, the Company has entered into a Memorandum of Understanding (MoU) with M/s. Vishnusurya Projects and Infra Private Limited, Chennai ("VSPIPL") to identify and explore business opportunities in the Turnkey Project Segment more specifically in the areas of:

Electrical Projects for Substations and Transmission Lines, Rural Electrification, Industrial electrification etc. on Total turnkey basis and other Green Field Projects including Business Development, Planning, Design, Sourcing, Scheduling, Execution, Testing & Commissioning, Operation & Maintenance until Taking over by the Customer.

However, the continuing disruption caused by the Covid pandemic on normal business activities has delayed the progress of such evaluation.

(ii) The Company is also in the process of exploring various options for effective usage of its industrial land in Chennai in compliance with various approvals and regulations based on its previous experience.

These steps are intended to set the foundation for the revival of activities of the company. Hence, the company continues to prepare its Accounts and the Statement of audited financial results on a 'going concern' basis of accounting.

(d) Due to the reasons as explained above, the lockdown and restriction of activities due to Covid-19 did not have any significant impact in the Company's overall performance during the current period, but has impacted our functioning with shutdown of our office.

Due to the above, our efforts on the resolution plan has not made progress. We will be able to get a better clarity only after the lockdown is lifted and reasonable normalcy is restored.

#### 3 Segment

The Company has two reportable business segments, namely, i) Electro – porcelain Products and ii) Turnkey Projects.

#### **Basis for Qualified Opinion**

The group's net worth has been completely eroded. The accumulated losses in the reporting year, amounts to Rs. 5037.22 millions (Previous year Rs. 4953.44 millions). Further the Holding Company has overdue loans to various financial institutions amounting to Rs.719.13 millions and interest accrued and due there on of Rs.132.70 millions and the turnover during the period ended 31<sup>st</sup>March, 2021 is Rs. 15.64 millions (previous year Rs. 16.44 millions) as per the books of accounts maintained.

In the absence of external confirmation of balance as at 31<sup>st</sup> March 2021 in respect of suppliers, customers, depositors, banks/financial institutions and others of the Holding Company, we are unable to comment on it.

#### Material Uncertainty related to 'Going Concern'

We draw attention to the following note to the financial statements:

During the year under audit, there was no production in the Chennai and Vizag plants of the Holding Company and are being considered as discontinued operations. Turnkey Project Business Segment of the Holding Company is being considered as Continuing Operations.

These factors along with other matters as set forth in the said notes, which indicates the existence of a material uncertainty in the Holding Company that may cause significant doubt about the Holding Company's ability to continue as a going concern. The Holding Company is in the discussion of re-vitalization and long term stability and growth of its Turnkey Project Business unit. In light of the management's expectation of the outcome of above discussion and re-vitalization,

the financial statements have been prepared on a going concern basis. However in view of the above mentioned matter, we are unable to comment on the ability of the Holding Company to continue as a going concern as per SA 570.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

We draw attention to Note No: 2 (e) and (f) of the consolidated financial statements, which describes the effects of COVID-19 pandemic on the group's operations and compliances, which does not have any significant impact in the group's overall performance during the current period.

It is not appropriate to estimate the duration and severity of these Consequences, as well as their impact on the financial position and results of the group for future periods.

Note no.26 in respect of payment of dividend on Non Convertible Cumulative Redeemable Preference Shares of the Holding Company is contingent on various factors as mentioned in the said note, which is currently uncertain and hence the amount payable has been treated as contingent liability.

The Holding Company's Board of Directors is responsible for the other information. The other information comprises the Information included in the management discussion and analysis, board's report including annexures to board's report, corporate governance and shareholder's information, but does not include the consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that if there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

## Responsibilities of Management and Those Charged with Governance for the Consolidated Financial statements

The Holding Company's Board of Directors is responsible for the preparation of these consolidated financial statements in terms of the requirements of the Companies Act, 2013 that give a true and fair view of the consolidated financial position, consolidated financial performance, consolidated cash flows and consolidated changes in equity of the Group, in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under section 133 of the Act. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the Group's ability to continue as a going concern. In this context attention is drawn to Note no.2 and other related notes to the standalone financial statements which indicates that the current liabilities exceeded its current assets and it has accumulated losses which has resulted in complete erosion of the net worth of the Company as at 31<sup>st</sup> March 2021 leading to material uncertainty about the Company's ability to continue as 'Going Concern' and the Company continues to prepare its accounts on a "Going Concern" basis unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are responsible for overseeing the financial reporting process of the Group.

#### Auditor's Responsibilities for the Audit of the consolidated Financial statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and

are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintained professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due
  to fraud or error, design and perform audit procedures responsive to those risks, and obtain
  audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of
  not detecting a material misstatement resulting from fraud is higher than for one resulting from
  error, as fraud may involve collusion, forgery, international omissions, misrepresentations, or
  the override of internal control.
- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the group has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by respective management.
- Conclude on the appropriateness of respective management and board of director's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Holding Company's ability to continue as a going concern. We conclude that a material uncertainty exists and attention is drawn to Material Uncertainty related to 'Going Concern' paragraph in our report herein above with related disclosures in the Note 2 (d) to the consolidated financial statements. Our conclusions are based on the audit evidence obtained upto the date of our auditors' report. However, future events or conditions may cause the Holding Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### **Report on Other Legal and Regulatory Requirements**

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

#### NOTE 2

a. During the year under review, there was no production in the Chennai and Vizag plants of the Holding Company.

- b. No business activity was carried on during the year under review in both the subsidiaries of the Holding Company since kept as Special Purpose Vehicle ("SPV") as a part of the resolution plan of the Holding Company with the secured lenders.
- c. In the previous year Chennai Insulator division and Visakhapatnam Insulator division (wef 01.10.2019-6 Months) of the Holding Company were considered as "Discontinued Operations". For the current full year under review, Chennai Insulator division and Visakhapatnam Insulator division of the Holding Company are being considered as "Discontinued Operations". Hence previous period figures are not comparable. Turnkey Project Business Segment of the Holding Company is considered as "Continuing Operations" in both the years.
- d. (i) It is clarified that the Holding Company's Project business vertical is currently functioning at a low scale because of inadequacy of funds.

However, the Holding Company is evaluating various steps in connection with the re-vitalization and long term stability and growth of its Turnkey Project Business Unit which potential and opportunity exists once the balance sheet is restructured.

As part of this exercise, the Holding Company has entered into a Memorandum of Understanding (MoU) with M/s. Vishnusurya Projects and Infra Private Limited, Chennai ("VSPIPL") to identify and explore business opportunities in the Turnkey Project Segment more specifically in the areas of:

Electrical Projects for Substations and Transmission Lines, Rural Electrification, Industrial electrification etc. on Total turnkey basis and other Green Field Projects including Business Development, Planning, Design, Sourcing, Scheduling, Execution, Testing & Commissioning, Operation & Maintenance until Taking over by the Customer.

However, the continuing disruption caused by the Covid pandemic on normal business activities has delayed the progress of such evaluation.

(ii) The Holding Company is also in the process of exploring various options for effective usage of its industrial land in Chennai in compliance with various approvals and regulations based on its previous experience.

These steps are intended to set the foundation for the revival of activities of the Holding Company. Hence, the Holding Company continues to prepare its Accounts and the Statement of audited financial results on a 'going concern' basis of accounting.

e. Due to the reasons as explained above, the lockdown and restriction of activities due to Covid-19 did not have any significant impact in the Holding Company's overall performance during the current period, but has impacted the functioning with shutdown of office.

Due to the above, the efforts of the Holding Company on the resolution plan has not made progress. The Holding Company will be able to get a better clarity only after the lockdown is lifted and reasonable normalcy is restored.

f. Regarding the subsidiaries, the effects of COVID-19 pandemic did not have any significant impact on their respective operations and compliances, during the year under review.
